May 24th, June 24th, July 1st, September 6th and October 11th.

REPORTING A PROBLEM

In case of an emergency, please call the Protection Service at 450 712-3232 at all times.

Security

Do not use alcohol or drugs. Boating while impaired is an unlawful act. Did you know you could lose your driver's license for drinking and boating?

It could save your life! You must have a lifejacket (PDF) on board for everyone, either towed or on board.

Personal watercraft: Drivers must be at least 16 years of age.

Any towing activity (waterskiing, barefootskiing, tubing, etc.), requires that there is someone who can keep watch on each person you are towing. There must be an empty seat on board for each one of them.

Stay alert! Reduce your craft's speed when approaching another craft. Wave jumps, going around in circles and operating your craft in an unsafe manner is hazardous.

Under the bridges, one boat at a time!

Wakesurf and waves

According to jurisprudence, every craft operator is responsible for the effects of its wake.

Wakesurfing activities that create big waves are only permitted in specific areas identified by buoys. Wakesurf activities and the use of ballasts are prohibited outside these areas. Fines may be issued in case of non-compliance.

Boaters should also reduce waves in shallow areas of lakes, near shorelines and private docks. Large waves kick up sediments which are harmful to the environment. Help us keep our lakes in good health so we can enjoy them for a long time.

Please refer to the map on the back for identified wakesurf areas.

Code of Conduct

for lake users

Lac Dupuis
Lac du Nord
Lac Masson

Ville d'Estérel

Ville de Sainte-Marguerite-du-Lac-Masson

All watercraft must be washed before launching.

Help us protect our lakes from invasive aquatic plants for our environment and biodiversity so that we can enjoy our favorite nautical activities this summer.

Lakes maps

For a pleasant season for all, courtesy and respect are essential on our lakes!

- Be courteous, respect others by reducing noise which is amplified on the lake and avoid making large waves. Fines may be issued for non-compliance.
- Please respect speed limits on our lakes.
- Keep a safe distance from swimmers and non-motorized or stationary craft.

Gatherings

On all the lakes, boat gatherings are prohibited from 7:00 p.m. to 11:00 a.m. the following morning. Boat gatherings must never trouble the peace and public security.
Gatherings are not permitted in no wake areas.

LEGEND

- Municipal Landing
- Bridge
